Questions? There are lots of answers on our Apple ID support page >

If you weren't trying to reset your password, don't worry – your account is still secure and no one has been given access to it. Most likely, someone just mistyped their email address while trying to reset their own password.

Thanks,
Apple Customer Support

- Otvara se slijedeća web stranice, potrebno je unijeti novu lozinku te istu potvrditi

Create a new password.
Enter a new password for **tehnickapodrska17@gmail.com** below. Your password must be at least eight characters long. It must contain at least one number and two letters, one upper case and one lower case. It cannot include three consecutive and identical characters.
